Education

The University of Oxford, Oxford, UK, Expected 2017

MSc Social Science of the Internet, Oxford Internet Institute, Balliol College
Clarendon Scholar

Harvard University, Cambridge, MA, 2016

A.B. Psychology (Mind, Brain, and Behavior Track), Computer Science Minor
Phi Beta Kappa, Magna Cum Laude with Highest Honors in Field

Thesis Title: Using Transcranial Direct Current Stimulation to Examine the
Dorsolateral Prefrontal Cortex's Role in Intergroup Empathy

Fellowships and Awards

Clarendon Scholarship, The University of Oxford	2016
Phi Beta Kappa, Alpha Iota Chapter, Harvard University	2016
Gordon W. Allport Thesis Prize, Department of Psychology, Harvard University	2016
John Harvard Scholar, Harvard University	2015-16
Abramson Fellowship, Harvard College Research Program, Harvard University	2015
Mind, Brain, and Behavior Summer Research Fellowship, Harvard University	2015
Dean's Office Summer Research Fellowship, Columbia Business School	2014
Intel Science Talent Search Semi-Finalist, Society for Science and the Public	2012
Simons Summer Research Fellowship, Stony Brook University	2011

Research Experience

Research Assistant, Harvard Intergroup Neuroscience Laboratory
Department of Psychology, Harvard University, Cambridge, MA
Dr. Mina Cikara, 2014-Present

Research Assistant, Youth and Media Lab
Berkman Center for Internet and Society, Harvard Law School, Cambridge, MA
2014-2016

Dean's Office Summer Research Fellow
Department of Management, Columbia Business School, New York, NY
Dr. Adam Galinsky, 2014

Research Assistant
Negotiation, Organizations & Markets Unit, Harvard Business School, Cambridge, MA
Dr. Amy Cuddy, 2013-14

Simons Summer Research Fellow, Laboratory for Computational Neurodiagnostics
Department of Biomedical Engineering, Stony Brook University, Stony Brook, NY
Dr. Lilianne Mujica-Parodi, 2011

Presentations

Leibowicz, C.R. (2016, May). *Using Transcranial Direct Current Stimulation to Examine the Dorsolateral Prefrontal Cortex's Role in Intergroup Empathy*. Poster Presentation at Conte Center, Harvard Brain Science Initiative, and Center for Brain Science Neuroscience and Mental Health Poster Session, Cambridge, MA.

Leibowicz, C.R. (2011, March). *The Neuropsychology of Social Instincts: A Behavioral and Information-Theoretic Analysis of the Cues Involved in Trustworthiness Evaluations*. Poster Presentation at the Long Island Science and Engineering Fair, Plainview, NY.
